

December 13th Agenda

Attendees

Markas Aišparas

Gayeon Jee

Maria Mihai - Notetaker

Jakub Patałuch - Leader

Rogacka-Trojak, Zofia

Andrei Simionescu

Points to discuss

- New Draft of Assignment 1 - part one
- Retrospect on our last sprint (progress, task division, issues, what can we improve?)
- Discuss plans on the new sprint and how the cooperation should be conducted through the Christmas period?

Questions

- What are the required types of testing before Christmas?
- Is the error that Maria ran into still present and should we post info about the solution in the README?
- General questions about lab rubric in brightspace
